

Regional Evaluation

Regional Diploma **has a hard copy via IOWHE University HQ, without obtaining legalization via US government delegates and attestation by other embassies/consulate located in the US or local governments**

The final diploma **will release by IOWHE University HQ (headquarters)** of one of the five regions (zone) around the world.

Regional evaluation is a method for assessing your knowledge based on receiving the official documents that you provide for this kind of the assessment **and sending them by email for us.**

Since the assessment and recognition of your academic level have been carried out by the **Regional Officer of the IOWHE University** and **your documents are not official**, So; the regional's degrees cannot obtain government approvals from the issuing country or the country of the deployment of the IOWHE headquarters.
