Attention:

The IOWHE University branches and agencies are allowed to:

a) add up to **25%** of the prices listed in the above "Reference Fees Tables" as "**Office Charge & Administration**"

" and

b) 17% (5% + 12%) of the prices listed in the above "Reference Fees Tables" as "**Local VAT + UK VAT**"

to the amount received from the applicants / students **for each one process** that they have been requested.

[Bank Account Details for MENAWA Zone](#) (the account accepts the fees in **Dirhams** currency only)

. Note .

Most of the consultancy meets are **few fee** for you but for the Registration, Enrollment, and Pre-Valuation procedures need to pay **USD 430.00**

firstly

(VAT/Tax is not included).

In case maybe you need to add the

TAX

or

VAT

to the above amount or other amounts. It does depend on the local financial roles in the branch location that it is.

EOS (Extra Outside Services) will be done based on the applicant's request. **This is not a routine service and is non-included in the main evaluation process.**

All attestation, legalization, and translation services for a certificate are under the EOS category.

The time of doing EOS (taking the above documents except for local authentication) is 2 to 3 months (approximately). The cost of this process for **ONLY ONE** certificate (from 25 of July 2013) is **USD 2,750.00** and also
%25 of the total cost will be added as the Office Charge

Obviously, for any number of certificates, it should be added the necessary amount (number certificate

X

USD 2,750.00

+

%25 Office Charge) to the total cost required for the legalization process.

The Local Embassy Attestation in Washington DC and Foreign Affairs Ministry in the same country have their own fees between **USD 1,050.00 to USD 1,100.00** on average. Delivering certificate(s) is

ONLY

in IOWHE offices and

ONLY

to the owner of the certificate

OR

who was registered on the first day via the main applicant.

...

It is important to note that the cost of holding a class/course by an accredited center is determined by the center itself. The same is true for classes held by approved professors, instructors, trainers, or teachers at non-accredited institutes or centers (per case).

The IOWHE University does not play a role in determining local expenses for its educational or management centers around the world.

Essentially, the university's financial policy is to not interfere in these matters.
